## CHAPTER \_\_\_\_\_

An act to amend Sections 23661.7, 24045.18, 25503.56, and 25503.9 of, and to add Section 23393.5 to, the Business and Professions Code, relating to alcoholic beverages.

## LEGISLATIVE COUNSEL'S DIGEST

AB 623, Williams. Alcoholic beverage licensees: limited off-sale retail wine license.

The Alcoholic Beverage Control Act contains various provisions regulating the application for, the issuance of, the suspension of, and the conditions imposed upon, alcoholic beverage licenses by the Department of Alcoholic Beverage Control. Existing law provides for various annual fees for the issuance of alcoholic beverage licenses depending upon the type of license issued. The Alcoholic Beverage Control Act provides that a violation of its provisions is a misdemeanor, unless otherwise specified.

This bill would authorize the department to issue a limited off-sale retail wine license that would allow the licenseholder to sell wine if certain conditions are met and would grant specified privileges to the licenseholder, as provided. The bill would impose an original fee and an annual renewal fee for the license, which would be deposited in the Alcohol Beverage Control Fund. Because the violation of a provision of the license is punishable as a misdemeanor, the bill expands the definition of an existing crime, thereby creating a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

*The people of the State of California do enact as follows:*

SECTION 1. Section 23393.5 is added to the Business and Professions Code, to read:

23393.5. (a) The department may issue a limited off-sale retail wine license which authorizes the sale of wine by the licensee if all of the following conditions are met:

(3) The licensee takes possession of and title to all wine sold by the licensee.

(4) All wine sold by the licensee are delivered to the purchaser from the licensee's licensed premises or from a licensed public warehouse.

(b) The sale of wine shall only be to consumers and not for resale, in packages or quantities of 52 gallons or less per sale, for consumption off the premise where sold.

(c) The licensee shall comply with Section 23985, but is exempted from Sections 23985.5 and 23986.

(d) The department may impose reasonable conditions upon the licensee as may be needed in the interest of public health, safety, and welfare.

(e) The application for the license shall be accompanied by an original fee in an amount equivalent to that of an original off-sale beer and wine license pursuant to Section 23954.5. All moneys collected from the fees shall be deposited in the Alcoholic Beverage Control Fund, pursuant to Section 25761.

Instructional tasting events conducted by a licenseholder pursuant to this subdivision are subject to the provisions of this section and Section 23396.6.

(d) No more than one authorized licensee, or its designated representative, may conduct an instructional tasting event that includes the serving of tastes of wine, beer, or distilled spirits at any one individual licensed premises of a licenseholder per day.

(e) A licenseholder that also holds an on-sale beer and wine license, an on-sale beer and wine eating place license, or an on-sale general license shall not allow an authorized licensee, or its designated representative, to conduct an instructional tasting event on the same day and at the same location as any instructional tasting event held pursuant to subdivision (b) of Section 23386, Section 25503.4, subdivision (c) of Section 25503.5, or Section 25503.55.

(A) The advertisement does not contain the retail price of the alcoholic beverages.

(B) The listing of the licenseholder's name and address is the only reference to the licenseholder in the advertisement.

(2) Pictures or illustrations of the licenseholder's licensed premises and laudatory references to the licenseholder in these advertisements are not authorized. Nothing in this section shall authorize an authorized licensee or its designated representative to share in the costs, if any, of the licenseholder.

(h) A licenseholder may advertise an instructional tasting event to the general public. The costs of this advertising shall be borne solely by the licenseholder. Advertising permitted by this subdivision includes flyers, newspaper ads, Internet communications, and interior signage.

(i) Except as otherwise provided in this division or rules of the department, no premium, gift, free goods, or other thing of value shall be given away by an authorized licensee or its designated representative in connection with an instructional tasting event that includes tastings of an alcoholic beverage.

An authorized licensee or its designated

representative shall not require any preferential treatment or benefit from, or enter into a collusive scheme with, a licenseholder as a condition of conducting one or more instructional tasting events, require a licenseholder to carry or continue to carry a brand or brands of the authorized licensee as a condition of conducting one or more instructional tasting events, or condition display or other merchandising plans that are based on agreements for the provision of shelf space on the conducting of one or more instructional tasting events. Any agreement, whether written or oral, entered into by and between a licenseholder and an authorized licensee or its designated representative that precludes the conducting of instructional tasting events on the premises of the licenseholder by any other authorized licensee is prohibited. A licenseholder or authorized licensee, or its designated representative, shall not use an instructional tasting event to circumvent any other requirements of this division.

(2) In addition to any other remedies available under this division, upon a finding by the department of a failure to comply with this subdivision, the department shall suspend the instructional tasting license of the licenseholder and the privilege of the authorized licensee to conduct instructional events for not less than six months but for no more than one year.

(l) The Legislature finds that it is necessary and proper to require a separation between manufacturing interests, wholesale interests, and retail interests in the production and distribution of alcoholic beverages in order to prevent suppliers from dominating local markets through vertical integration and to prevent excessive sales of alcoholic beverages produced by overly aggressive marketing techniques. The Legislature further finds that the exception established by this section to the general prohibition against tied interests must be limited to its express terms so as not to undermine the general prohibition, and intends that this section be construed accordingly.
